

## D. Spring Retractable Hose Reels

Part number - MPX-HPG-09-04

Suitable for dispensing:

- Grease

Suitable for the following industries:

- General industry
- Mining
- General automotive service workshops

### Operating Specifications - Bare Hose Reel

Product inlet (swivel inlet)	1/4" NPT
Product outlet connection (shaft)	1/4" NPT
Bare hose reel pressure rating (bar)	350 bar
Maximum operating pressure with standard hose	350 bar

### Standard Hose Specification

Type	Polyamide
Hose ø (inches)	1/4"
Length (m)	9m
Pressure rating (bar)	350 bar
Bending radius (mm)	100
Weight per length (kg/m) dry	0,33

\*BSP/JIC adaptor to be fitted for the USA market
